Max Planck Institute for Political and Social Science
Department of Political Institutions and Conflict
Hermann-Föge-Weg 11, 37073 Göttingen

Research Interests

My research interests lie at the intersection of comparative political behavior and historical political economy. Methodologically, I focus on innovative data collection, causal inference, and survey experiments.

Education

Ph.D., Political Science, Osnabrück University (expected)	2027
M.A., Political Science, Osnabrück University	2021
B.A., Political Science and Economics, Osnabrück University	2019

Academic Employment
